Hi Barb,

I have not heard back yet from Bernie, but I would be able to do either. Come in Monday night (10/25) for dinner, meet Tuesday (10/26) and leave Tuesday afternoon OR wait until November.

Bernie- I leave it up to you.

Kind regards everyone,
Jenny

Jenny (and Bernie),

I apologize for the last minute change in plans...would Mon or Tues 10/25 or 10/26 work for you to come out here? We could meet Mon afternoon, dinner Mon evening, you lv Tues a.m. OR dinner Mon evening, meet Tues a.m., lv Tues afternoon. The latter works a little better

for some of us, but we are totally at your mercy having changed things at the last minute. If that doesn't work, we can push back to November.

Again, apologies for the late notice.

Barb

Hi Barb,

I hope you got back to Richmond at a reasonable hour on Saturday. I thought the meeting was very successful and I really feel we have a good working team with Covance.

Have you had any additional conversation with Paul about next week's meeting or is this something you may want to postpone for a few weeks so that Paul can be there? I know you were getting back to me but I thought I might just check in with you.

It was a pleasure to work with you last week and I look forward to our continued collaborative efforts.
Kind regards,
Jenny
